### Description:

THYME to TURNIP the BEET on what KIDS EAT!

After School Cooking Classes at Park Hill with Sticky Fingers Cooking!

Let your child release their inner chef! Students will prepare and eat healthy, international recipes all while learning to cook in a fun, engaging and real-world way! Our Chefs will reinforce kitchen skills associated with our weekly recipes and emphasize each area of cooking- terminology, ingredients and fun nutrition facts (even a few bad jokes!) We will practice measurements, use a wide array of cooking utensils all while preparing the freshest ingredients. Full recipes will be created in each class with our AWESOME master chef Sticky Fingers Cooking instructors.

Your kids can have a blast every week discovering how easy and fun it is to cook (and gobble-up!) tasty, healthy, American classics and globally-inspired Sticky Fingers Cooking recipes! Sticky Fingers Cooking offers young chefs the chance to explore exciting tastes (all seasonal and as local as possible!), master culinary skills (that they can put to use in family kitchens!) and nourish their bodies and minds. We provide all of the tools, ingredients and instruction needed to cook up a fun, delicious and healthy after-school snack each week. Our on-line recipe collection is included as well for loads of future family cooking fun!

KidStage

KidStage is a theatre and acting class for kids in grades 1-5! The curriculum includes concentration, teamwork, improvisation, movement, voice and basic theatre terminology. This time they will be performing MULAN: In China there is a legend of a great soldier who saved the emperor and who saved all of China from the monstrous Hun army. This soldier was a girl named Mulan. She was never very good at her traditional “girl” responsibilities, and no matter what she tried she always ended up dishonoring her family. Until one day the army came for her aging father and Mulan took his place, breaking the law and pretending to be a boy so she could serve instead of him to protect his life. With the help of a lucky cricket, a wise-cracking dragon and a rag tag group of soldiers, Mulan defies tradition, brings honor to her family and becomes the hero of China!

Park Hill Panther Street Soccer

The program will focus on fun, beginner to intermediate skills work and small-sided street soccer games. All activities are co-developed and facilitated by experienced player-coaches. Sessions may include age-appropriate music...

WAIVER: All players are required to turn in a signed SOCCER ELECTRIC parental consent / waiver to participate in the sessions (click HERE for the waiver OR disregard if you completed the electronic waiver with your online registration).

FEES: All fees cover program overhead costs including gear, insurance and other incidentals such as partner coach pay. 50% of program proceeds go to PHS PTSA or pre-specified school projects. We put the other 50% back into select community outreach programs (primarily via strategic collaboration with schools and nonprofits to promote physical fitness and healthy lifestyles while sharing and growing interest in soccer across metro Denver - please see below and visit SOCCER ELECTRIC @ soccerelectric.com for more info).

REALLY BAD WEATHER: We will make every effort to play outside so participants should pack / wear sufficient clothing for maximum comfort and mobility in cold weather. Skills work, games and soccer-related educational activities will be moved to the gym or a classroom inside the school should weather or otherwise unplayable conditions prohibit outdoor play.

PLAYER PICK UP: Thanks in advance for arranging for your child's pick up at the PHS outdoor basketball court with instructions to sign your child out after the session ends at 3:50. Our coaches are committed to professional coaching duties around town and will need to depart the site promptly after running the session.

**Description:**

Our youth movement and fitness development program is designed for children and their specific developmental needs. The goal of the program is to make improvements in a child’s general fitness; such as endurance, coordination, power, speed and strength.

We use fitness as fun to teach kids proper movement patterns, increase capacity for hard work, boost confidence and acquire team building skills. We create an environment that accommodates kids of various skill levels and even improves kids of elite athletic skill. Modifications will be employed for those who need them. Children will be performing various movements including squats, sprints, jumps, pull-ups, push-ups, etc.

Safety is our top concern, therefore, each class is led by TWO certified/experienced coaches. Our goal is to instruct, correct and apply movement skill in a positive environment that focuses each individual. We’re here to build them up, not break them down.

Students will explore these concepts and more in this exciting program that will take us to infinity and beyond ... without even leaving the classroom! The students will also uncover the inner workings of some of their favorite things -- including toys, optical illusions, magic tricks and more! Discover why a compass always points North and learn how prisms refract white light to create rainbows -- without rain! Students will be encouraged to make thoughtful connections between the scientific concepts presented in-class and their everyday lives. Remember, it’s not magic -- it’s science!

Feel Good Fashion (First 6 weeks) - This class is for all the kids interested in style! How to put together a “look book” of fashion, how to find great deals, and what looks good on each body type. We will discuss media messages, self-esteem, and confidence building. We will sketch some designs and learn what goes into creating a stylish and unique look for each student (there will be fabrics, sequins, jewels, and more!)
We’ll do several fashion challenges where students learn themes, designing clothing, and putting together a mock runway show. The emphasis is on feeling good about ourselves, and our uniqueness. After all, our style is an expression of our creativity and originality! This class is for girls and boys!
Super-Resilient Kids- How to be a real life super-hero (last 5 weeks)
This class promotes ethical values as a foundation for good character.
Each week we will learn about teamwork, kindness, being an upstander (no bullying), empathy, good sportsmanship, social skills, manners, honesty, accountability, etc. Our kids need to learn social/emotional skills to be successful in all other areas of life!
We will learn these attributes through fun games and activities.
Parents can take comfort in knowing their children are learning valuable skills for life, and kids can have fun developing into their own super-selves!

Our mission is to create confidence, focus and a habit of discipline to provide a child with choices rather than reactions. We strive to create a compassionate environment that propels the potential inside every individual.

Goals and benefits
- Flexibility in mind and body
- Strength; understanding one’s own power and how to use it to lift others up rather than push them down
- Confidence; the ability to face challenges by honing will power fueled by compassion
- Coordination both kinesthetically and within a group
- Discipline; the habit of adjusting to adversity
- Non-conflict resolution; understanding reactive tendencies, awareness/tools to regulate fight or flight response
- Focus; how to be present and regulate distraction

Each session will reinforce the following:
- Learning karate to build people up and not to knock them down
- Respect for self and others
- Patience
- Focus
- Compassion for others
- Discipline
- Accepting the spirit of challenge – Not giving up when things get hard

Registration Checklist

- Enroll your child by following the directions specified below each individual Enrichment class registration **Friday, January 19th, 3:00pm to Tuesday, January 30th.**
- Fill out the RELEASE OF LIABILITY AND EMERGENCY FORM and turn in to school office and provide a copy to the vendor **NO LATER THAN Wednesday, January 31st.**
- Turn in scholarship requests to front office **NO LATER THAN Thursday, January 25th.** (limit one per child please)
- Note the class dates on your personal calendar so you know when your child is in a class and when the class ends. Many of our enrichment providers have obligations after classes end at our school. Please respect them and pick up your children ON TIME. **Your child’s opportunity to participate in after school enrichment may be revoked if there is a pattern of late pickup.**
- Is your child enrolled in Discovery Link?
  - Make sure Discovery Link is aware of your child’s participation in enrichment (day, time, etc.), and that you have filled out the Discovery Link release Form allowing your student to sign him/herself out of Discovery Link
  - On the RELEASE OF LIABILITY AND EMERGENCY FORM, list your child as eligible to sign him/herself out of the enrichment class

SAFETY POLICIES

***CLASSES END AT THE SCHEDULED TIME. PLEASE PICK YOUR CHILD UP ON TIME***

Homeroom teachers receive a list of all students enrolled in Enrichment classes and will remind them to go to their scheduled room. Students in Kindergarten and 1st grade will be picked up from their classrooms before end of day dismissal and delivered to their enrichment instructor. Those students are to wait in their classrooms until a designated adult comes to take them to their enrichment class.

*Please notify the school if your child will NOT be attending their enrichment class on a particular day.*

Should classes be cancelled, homeroom teachers will be notified before the end of the school day. The enrichment class instructor will contact the parent/guardian using the emergency contacts provided by you. They will make EVERY effort to speak to you in person. **It is therefore essential that you complete the Release of Liability and Emergency Form, and that the contact numbers you provide are valid and up-to-date.** Please try to check messages on days that your child is attending an Enrichment class. In the event that no personal connection is made and you do not receive the message, your child will be in the school office or with a Certified Teacher. The Certified Teacher will post a message in the classroom if she has taken the students to a location that is different than the Enrichment classroom.

DISCOVERY LINK POLICY

YOU MUST FILL OUT THE APPROPRIATE DISCOVERY LINK RELEASE FORM PRIOR TO THE START OF THE ENRICHMENT SESSION. Additionally, on the RELEASE OF LIABILITY AND EMERGENCY FORM, you must make sure to designate your child as able to sign him/herself out of the Enrichment class.

These procedures are to ensure the safety of YOUR child. Please note, an authorized adult will always escort Kindergarten and 1st grade students to and from Discovery Link, but the appropriate paperwork for Discovery Link still needs to be completed.
