ASL for Beginners: 4:30-6:00

This course provides an opportunity to learn basic ASL vocabulary and an introduction to Deaf culture. Topics include: fingerspelling, descriptions and classifiers, food and shopping, numbers, household words, emotions, offering and declining, and weather. Each class will feature opportunities to learn new vocabulary and authentic practice in a fun, group setting.

Intermediate Signing: 6:00-7:30

Our intermediate skills course is designed for students who have taken a beginner class in the past or have the vocabulary and skills to proceed into intermediate topics. This class features opportunities to learn more advanced vocabulary, practice conversation, and ASL storytelling.
